THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

Order Requiring Blue Granite Water Company to Provide Further Information Pertaining to the Impact of Additional Development

SUBJECT:

DOCKET NO. 2020-174-WS - Blue Granite Water Company's Request for Approval of a Water and Sewer Agreement with Fielding Homes, LLC - Staff Presents for Commission Consideration Blue Granite Water Company's Request for Approval of a Water and Sewer Agreement with Fielding Homes, without Notice.

COMMISSION ACTION:

In its Application, Blue Granite Water Company (BGWC) asserts that it has sufficient water and sewer service available to serve the properties subject to the Agreement at issue in this Application. The Office of Regulatory Staff has reviewed the application and has provided an update on the water restrictions for the York County/Lake Wylie Service Area.

I move that the Commission require BGWC to provide further information pertaining to the impact of the addition of this development to BGWC's service capacity in York County. We are aware that there were previous water restrictions placed on existing customers, and we are also aware of the wholesale water supply contract with the City of Charlotte. I ask for information or analysis that BGWC has sufficient water supply to meet its obligations to serve its current customers as well as any new customers resulting from this new development.
